## International Programs

[NUCB Undergraduate School](#) was founded by Dr. Yuichi Kurimoto in 1953 and is recognized by the motto 'Frontier Spirit', symbolizing the strong spirit of being at the frontier of knowledge and communications. It is a private university established by [Kurimoto Educational Institute \(KEI\)](#) and situated in Nisshin, just outside Japan's third-largest city, Nagoya. NUCB Undergraduate School has just over 3,500 students and 100 lecturers and professors. The university has a strong commitment to excellence in teaching and research and has developed alliances with several educational institutions in Asia, Europe, North America and Latin America.

NUCB Undergraduate School was the first AACSB-accredited undergraduate institution in Japan by achieving it in 2006 and successfully maintained it to date. AACSB-accredited schools have better programs, better faculty, better students with higher overall GPAs, more international students, more employers that recruit from them, and graduates that receive better salaries. [NUCB Business School](#), our Graduate School of Management, is the first and only Japanese business school to be accredited by AACSB, AMBA and EQUIS, and thus, achieving the renowned Triple Crown.

### Undergraduate Programs:

- Global BBA - EN
- BBA - JP
- BSc in Management - JP
- BSc in Economics - JP
- BSc in Commerce - JP
- BA in International Studies - JP
- BA in Foreign Language - EN

NUCB Undergraduate School has a global network of 112 leading business schools across 49 countries. 86% of these are accredited by at least one of the three international accreditation bodies: EQUIS, AACSB, and AMBA. Over 100 students from leading business schools around the world select NUCB Undergraduate School each year for their study exchange program. These include students from EDHEC Business School, Rotterdam School of Management, University of St. Gallen, ESAN Graduate School of Business, among others. In addition, more than 35% of PIM members are our partner schools. As part of our commitment to excellence and ongoing contribution to international management education, we are actively engaged with these partner schools through various types of programs and initiatives. Agreements with our partner schools include, but is not limited to, the following areas:

- Student Exchange
- Double Degree Programs

- Faculty Exchange
- Joint Research Projects

Core academics from top international schools, including Harvard Business School, MIT Sloan School of Management, Saïd Business School, Warwick Business School, etc., have taught at NUCB Undergraduate School.

## Nagoya - The Most Dynamic Area in Japan

NUCB Undergraduate School is situated in Nisshin city, with a rural background just east of Nagoya which is centrally located in Japan, making access to Kyoto and Tokyo fast and convenient. We offer an all-English degree program at the Bachelor level for undergraduate students through our Global BBA program. The goal of our program is to cultivate highly skilled professionals who develop a global perspective, a strong sense of ethics, and the ability to contribute positively to the international business community.

Nagoya is a center of manufacturing craftsmanship, with strong connections to the automotive, aircraft, and industrial robot industries. A distinctive food culture exists full of local delicacies such as Kishimen (noodles), Tebasaki (chicken wings), Miso-nikomi udon (miso boiled udon), and much more. Nagoya's population density is only one-third of that of Tokyo or Osaka. The city has many lush parks that are great for enjoying the weather, jogging, or taking part in the many seasonal events that are held in the city.

It's also a great place for enjoying professional sporting events such as baseball and soccer as well as the annual Nagoya Tournament of the Japan Sumo Association. There are many well-known tourist spots, such as Hida-Takayama in Gifu or Ise and Toba in Mie, which are easily reached by train from Nagoya. Nagoya also has a well-developed public transportation network of subway and bus lines that make commuting or shopping very easy.

### Semester and Terms

The academic year is separated into Spring Semester and Fall Semester, and each semester is split into 2 Terms.

- 14 weeks per Semester
- 7 weeks per Term
- Orientation days conducted at the start of the semester

### Course Delivery Styles

- Courses are completed in a single term (7 weeks)
- Each course: 200 mins. x 7 lectures

## Tuition and Fees

Tuition is waived for incoming students to NUCB US. However, we require all students from our partner institutions to pay a separate fee of 20,000 JPY per semester that covers the casebooks (for Global BBA courses), registration and administrative handling fees.

## Credits/Courses

### Course selection

Students are contacted before their arrival for the course selection. All courses must be approved by the home institution before the students submit their choice as there will be no changes after arrival. Hence, the choice of courses must be final.

### Course load

A minimum of 12 NUCB credits (6 courses) and a maximum of 20 NUCB credits (10 courses). The exact number of credits required depends on the student's home institution.

## Grading

Grades	Definition	Grading Points
S	Excellent	4
A	Good	3
B	Passable	2
C	Lowest	1
F-Re* / F	Failure	0
IN	Incomplete	-1

\*F-Re is a fail grade but the student has the option to submit a makeup report to have a chance to pass the course with a C grade, whereas F is a direct fail grade.

\*\*IN is a result of having insufficient attendance.

## Credit Calculation

- 2 NUCB Credits = 3 ECTS Credits
- 2 NUCB Credits = 90 hours of study
- 90 hours = 23.3 class hours + 66.7 hours of self-study
- Class hours = 200 min x 7 lectures

Attendance is required & continuous evaluation is part of the final grade.

## Double Degree Students (2+2)

- 2 years of study must be completed before the Double Degree period at NUCB US
- Students are required to study for 2 years (4 semesters) at NUCB US
- 64 NUCB credits must be acquired
- Completion of an Original Case
